

UniVisa Zimbabwe Zambia

UPDATE: The KAZA Uni-Visa has been reinstated in **both** in Zimbabwe and Zambia.

Update: 21 December, 2016

The UNIVISA - **standard fee of US\$50** – where credit card point of sale facilities are not available at port of entry it is recommended that clients have US\$50 available for payment.

Validity – the KAZA UNIVISA is valid for 30 days as long as you remain in [Zimbabwe](#) or [Zambia](#), and clients can cross into Zimbabwe/Zambia as frequently as they like within the 30 day period. (If the UNIVISA is obtained at Victoria Falls and you cross over to Zimbabwe at Kariba or Chirundu or vice versa the visa would be valid)

The UNIVISA is not extendable. However, you can buy a new UNIVISA (up to 3 per year). You **do NOT have to by a UniVisa**. You can purchase normal single and double entry visas if they suit you better - see our [Zimbabwe visa page](#).

Example 1: US passport holder only coming to Zimbabwe, not going across to Zambia. Better to buy a single entry visa @ \$30.

ZIMBABWE VISA

Example 2: US passport holder staying in Zimbabwe but going to Zambia for a day activity. Normal visa price \$45 double entry visa to Zimbabwe + \$20 Zambia day tripper visa = \$65. Therefore cheaper to buy UniVisa at \$50 covers both entries.
